Workshops Descriptions

Parliamentary Basics – Rhiannon Liker, RP and Arlene Skinner, RP

The fundamental rules and procedures that govern how groups conduct their meetings and make decisions collectively.

The Business of Bylaws – Valarie A. Jones, Esq., PRP

Bylaws are the internal rules that govern how a business operates, outlining the structure, responsibilities, and procedures for the organization.

Amending Motions – Beatrice Squire, PRP

The motion to amend is perhaps the single most used of the subsidiary motions allowed by Robert's Rules.

You use this motion when you want to change the wording of the motion under consideration.

You can use it to make a good idea better or a bad idea more palatable. Amendments are really at the heart of the process of perfecting motions before a final vote, and the importance of understanding the basics of amending can't be overstated.

Parliamentary Lab: Serving as a Presiding Officer – Cynthia Mayo, PRP

Serving as a presiding officer in accordance with Robert's Rules of Order means taking charge of a meeting to ensure it is conducted in an orderly and fair manner
